Autumn arrives with its golden hues....

After another dry Summer, our volunteers have been working extremely hard to keep the planters thriving in and around St Just. A special mention must be made to our Watering Team; Sue, Lewis, Barney and Dan for working tirelessly, often at unsociable times of the day to keep the planters well watered. Also a big thank you to all the group members who kindly put themselves forward to water the tiered planters.

July saw our annual Garden Competition Judging Day. We welcomed Alex Goodyear on a very mixed day weather-wise! Fortunately as the day went along, the weather improved and the sun shone. Alex was very impressed by the variety and creativity demonstrated in the judged areas. Results are shortly to follow and of course we will be awarding our prizes to the worthy winners at our annual Awards and Quiz night on Friday 10th October at St Just Parish Church rooms.

We also made regular appearances at St Just WI Hall to run the Market cafe. It is always a lovely opportunity for members to interact with local and visitors and sell as many baked goods as possible! Every penny is vital in supporting our work and we are always grateful for the contributions, both financial and edible! As a group, we hold many a talented baker, and they are pretty brilliant at gardening too!
